

General information about the Gymnasium

VISION

Kaunas "Aušros" Gymnasium is a safe, open, led by democratic principles, oriented in nurturing interpersonal communication, values and cultural legacy, educating students to be responsible and creative.

MISSION

The Gymnasium's goal is to ensure our students with a high quality, versatile and wide range education experience for their lower-secondary and secondary education programs, by providing the best learning conditions and environment we can so as the students could get a perfect balance of knowledge to develop their values, competences and learn to respect and follow traditions, in order to become educated, creative, responsible, virtuous individuals who could fulfill their role as adults in our society.

VALUES AND PHILOSOPHY

The Gymnasium's philosophy's basis consists of the main principles of humanism and democracy. The students are educated in a manner that fosters a person's individual character and its creative traits, forming the student into a harmonious, righteous successor and protector of our cultural heritage. The gymnasium's core values are: honesty, tolerance, collaboration, comradeship, creativity, continuous improvement, competence.
